Welcome

"I have come that they may have life, and have it to the full."

—Jesus Christ (John 10:10)

GOD LOVES YOU. When life is broken, He offers you a plan for healing, restoration and new life. His desire is that you find the life of freedom and joy that He created you to experience with Him.

At some level we all experience brokenness. At *re:generation*, we see people experiencing growth and new life by working through the healing path God has given us in the Bible. Through this Christ-centered, 12-step program, God can bring you recovery and freedom. We pray that He will reveal the richness and depth of His love for you, no matter where you are.

So whether you are struggling with: substance abuse, codependency, pornography, eating disorders, depression, abuse, pride, same-sex struggles, anger or obsessive thoughts; or if you just feel stuck in a particular area of life, come as you are and find that God wants to restore you. He loves you and has a plan for you.

Everyone is welcome. We look forward to growing with you as you experience God's love, receive His grace and walk in His freedom.

"He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord's favor."

—Jesus Christ (Luke 4:18-19)

"For we ourselves were once foolish, disobedient, led astray, slaves to various passions and pleasures, passing our days in malice and envy, hated by others and hating one another. But when the goodness and loving kindness of God our Savior appeared, he saved us, not because of works done by us in righteousness, but according to his own mercy, by the washing of regeneration and renewal of the Holy Spirit, whom he poured out on us richly through Jesus Christ our Savior, so that being justified by his grace we might become heirs according to the hope of eternal life." -Titus 3:4-7
